

WOWS CAMPING RULES

Dry camping is provided free of charge in designated areas for Fire in the Hills participants. Please remember you are not alone and those around you are looking to enjoy their time also. To ensure everyone has the best experience possible, please follow these simple rules.

- 1. Clean your campsite:** Take out what you bring in.
- 2. Extinguish fires:** Be sure to put your fire out before bed, going shooting, or leaving the range. General rule of thumb is to make sure the coals/ashes are cold.
- 3. Be a Good Neighbor:** Be considerate of other campers.
- 4. Be Mindful of Quiet Hours:** Quiet hours will be observed between 10pm and 6am.
- 5. Keep Your Pets on a Leash at All Times and Clean Up After Them:** This applies to before, during, and after shooting. Everyone loves their pet, not everyone loves your pet.
- 6. Put Everything Back:** If moved a table or other items to or from the camping area, please move them back:
- 7. Completely Fill In Any Holes:** If you created any holes or trenches, please fill them in completely.
